

ELECTRICAL NEWS BRIEF

April 26, 2005

On April 26, 2005 the Electrical Bureau was informed that the City of Ammon had adopted ordinances that effected the inspection processes within their jurisdiction. This notification is that as of May 1, 2005 the city of Ammon will be issuing electrical permits and electrical inspections will be done by electrical inspectors employed by the city. The State of Idaho will complete the inspections on the permits that were submitted to the bureau prior to May 1, 2005. Please refer to the map below as a reference. If there is any question on if your job is in the city of Ammon please contact either Jane Shaw with the city of Ammon at 208-529-4211 or the Electrical Bureau.
